REASONS FOR ALLOWANCE

1. Claims 59-81 were allowed on 01/05/2007.
2. Claims 82-87 are allowed.
3. The following is a statement of reasons for the indication of allowable subject matter:

In interpreting the claims in light of the specification and applicant's arguments, the Examiner finds the claimed invention is patentably distinct from the prior art of record.

The prior art of record include Bennett, US Patent No. 5,444,615, "CheckCite 4.0 for Windows, the Definitive Citation Checker, User Manual", JuriSoft, copyright 1989-1994 (hereinafter "CheckCite"), and Uchino et al., US Patent Publication Application No. 2001/0018698 (hereinafter Uchino). Claim 82 is allowed because the prior art of record does not expressly disclose alone or in combination all the limitations of claim 82.

Also, the new independent claim 82 is based on previously allowed independent claims 59, '69, 74 and 79. The independent claim 82 includes similar limitations of claims 59, 69, 74, and 79 and further includes "the representation of the third web page is automatically included within the transferred first web page without receiving a specific request for the third web page from the client computer that requested the first web page." In addition, the independent claim 82 further requires "the representation of the third web page comprises a selectable hyperlink to the third web page that is positioned below the first content portion within the first web page to thereby enable

Art Unit: 2176

convenient access, from within the first web page, to the second author's commentary directed to the first content portion." For these reasons, the independent claim 82 is allowed.

The dependent claims 83-87 further limit independent claim 82. Claims 83-87 are considered allowable for the same reasons set forth for claim 82.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
